

# MINNESOTA CONCRETE COUNCIL

COMMUNITY  
COLLEGE /  
TECHNICAL  
INSTITUTION  
SCHOLARSHIP

**THE MINNESOTA CONCRETE COUNCIL** (MCC) is dedicated to advancing education, technical practice, scientific investigation and research into cast-in-place concrete materials and construction by organizing the efforts of its members as a non-profit service organization. Individual memberships and member companies represent design, construction and support industries associated with reinforced and post-tensioned concrete construction throughout Minnesota. MCC members have national and international presence in the design, construction, forensic, materials, QA/QC and construction fields. The organization is committed to keeping its members on the leading edge of technology as it relates to their respective disciplines via continuing education programs, networking opportunities and research.

As MCC has grown as an organization, so has its commitment to encouraging students to pursue careers in concrete related fields and to enhance the level of professionalism and industry engagement of those students.

### **SCHOLARSHIP AWARD**

Two \$1,500 scholarships will be awarded on an annual basis to community college / technical institution students.

In addition, MCC will provide a complimentary one-year MCC student membership and complimentary registrations for all MCC continuing education opportunities to the scholarship winners for one year.

Students applying for the MCC Scholarship must complete and submit the application below and meet the following criteria:

### **SCHOLARSHIP CRITERIA**

1. Student's home address must be in Minnesota  
OR student must be currently enrolled in a post-secondary Minnesota school (Community College or Vocational/Technical Institution).
2. Student must be pursuing an education in technical fields associated with the cast-in-place concrete industry, such as an interest in concrete materials and/or concrete construction.

The MCC Scholarship Committee will review applications from qualified students and rank the students based on their proven interest in the advancement of concrete.

### **SUBMISSION PROCESS AND TIMELINE**

1. Applications may be downloaded from the MCC website ([www.mnconcretecouncil.com](http://www.mnconcretecouncil.com)) or by e-mailing MCC (see below for e-mail address).
2. Completed applications and essay must be received by December 1, 2018.
3. Selected applicants will be interviewed in person or by web connection by January 15, 2019.
4. The MCC Vocational/Technical Scholarship will be awarded at an MCC continuing education program in the winter/spring 2019.
5. The scholarship recipients are expected to attend a minimum of one MCC continuing education program sometime in the 2019 school year.

### **EVALUATION**

Applicants will be evaluated on:

- Involvement in concrete related activities
- Involvement in professional student organizations
- Involvement in extra-curricular activities
- Work experience – both concrete and non-concrete related (such as internships and research in concrete related fields)
- Written essay
- Transcript from community college or technical institution to document course work
- Letters of recommendation

### **CONTACT**

If you have any questions regarding the MCC Scholarship program, please contact Margaret Mills at 651-482-9549 or by e-mail at [margaret@mnconcretecouncil.com](mailto:margaret@mnconcretecouncil.com)

## Community College / Technical Institution Scholarship Application

### General Information

Name: \_\_\_\_\_

Home Address: \_\_\_\_\_

City, State, Zip: \_\_\_\_\_

Phone: \_\_\_\_\_

Email Address: \_\_\_\_\_

### Current Community College / Technical Institution Information

School Name: \_\_\_\_\_

Your Address at School (If Different than Above): \_\_\_\_\_

City, State, Zip: \_\_\_\_\_

Entrance Date: \_\_\_\_\_ Expected Graduation Date: \_\_\_\_\_

Expected Degree(s): \_\_\_\_\_ Cumulative GPA: \_\_\_\_\_

### Secondary (High School) Information

School Name: \_\_\_\_\_

City, State: \_\_\_\_\_

Completion Date: \_\_\_\_\_ Cumulative GPA: \_\_\_\_\_

**Work Experience/Internships**

Please provide information on work experience (concrete-related and other) you have had while you were enrolled in your current program:

<b>Company, Location &amp; Title</b>	<b>Dates Employed</b>	<b>Duties/Responsibilities</b>

**Professional Activities, Memberships & Extracurricular Activities**

Please give a brief description of activities you have been in while enrolled in your current program:

<b>Organization</b>	<b>Time Span of Involvement</b>	<b>Duties/Responsibilities</b>	<b>Any officer/committee chair positions held?</b>

## **IMPORTANT - The following information is required:**

### **Essay**

On a separate sheet of paper, write a short essay (approximately 300 words) on the following topic: What are the benefits of cast-in-place concrete and why would you prefer or promote the use of cast-in-place concrete in today's construction industry? Prior year applicants are advised to submit an updated essay. Your interest in concrete as a building material and your understanding of our profession are important and should be reflected in the essay. Grammar matters. Creativity counts. (Please be creative and avoid rephrasing Google search results about cast-in-place concrete.)

### **Transcript**

Please include a copy of your most recent community college or technical institution transcript to document your course work.

### **Endorsement/Testimonials/References**

Please include at least one, but no more than two, letters of recommendation from your academic professors and/or managers to whom you reported to during your work experiences or internships.

### **Certification of Enrollment and Academic Good Standing**

By signing this application, I hereby certify that I am currently enrolled and in good standing at a post-secondary school meeting the requirements of the award and that all information included in this application is true and accurate.

Applicant's Signature: \_\_\_\_\_

Date: \_\_\_\_\_

### **Permission to Release Information**

By signing this application, I hereby authorize the Minnesota Concrete Council to confirm and/or release any information included on this application.

Applicant's Signature: \_\_\_\_\_

Date: \_\_\_\_\_

## **REMEMBER TO INCLUDE THE FOLLOWING:**

Essay
