

# minnesota Concrete Council

Dedicated to Cast-in-Place Concrete

## GRANT APPLICATION

---

THE MINNESOTA CONCRETE COUNCIL (MCC) is dedicated to advancing education, technical practice, and technical certifications for cast-in-place concrete technology by organizing the efforts of its members as a non-profit service organization.

MCC is only able to accomplish its goals through the support of its members, and also recognizes its members have goals that can benefit from MCC's support. Building on its history of awarding scholarships to worthy engineering or construction management students, MCC is expanding its ability to provide financial support through the creation of a grant program.

MCC is proud to expand its giving program to include **grants of up to \$1,000** that are intended to provide financial assistance to its members and student organizations who are interested in **developing skills, expanding knowledge, or advancing career development** in the cast-in-place concrete construction related industry. The Minnesota Concrete Council will consider a wide range of requests for grant funding. If you have questions about your request, please email [info@mnconcretecouncil.com](mailto:info@mnconcretecouncil.com)

### QUALIFICATION CRITERIA

Any MCC member in good standing (or related student organization) is eligible to apply for a grant.

### SUBMISSION PROCESS AND TIMELINE

- This application may be downloaded from the [MCC website](#) or by e-mailing a request to [info@mnconcretecouncil.com](mailto:info@mnconcretecouncil.com)
- Completed applications should be submitted via email to [info@mnconcretecouncil.com](mailto:info@mnconcretecouncil.com)
- Applications will be reviewed on a monthly basis.
- Applicants can expect a response within six to eight weeks of the grant request.
- MCC operates on a January – December fiscal year and has an annual budget for grants. Once the annual budget has been depleted, grant requests may need to be pushed to the next fiscal year.

### CONTACT

If you have any questions regarding the grant program, please contact the Minnesota Concrete Council at 651-482-9549 or by e-mail at [info@mnconcretecouncil.com](mailto:info@mnconcretecouncil.com)
